INSTRUCTIONS:

- All times are when teams need to be at their assigned traps and prepared to shoot. After the starting time for each day, all starting and completion times are estimated.
- If an athlete does not report to the assigned trap by the scheduled time, he/she will have to be moved to the final squad out.
- Coaches will affix pre-printed student labels (supplied at the coach check-in) containing the athlete information on the scoring sheet to form a squad at the trap field.
- Session 1 labels will be a different color than Session 2 labels. Please use the corresponding labels for each Session.
- All athletes will shoot 50 targets in each Session.
- Squads for Session 2 must be comprised of the same athletes and squad sequence as Session 1.
- It is important to be prepared to shoot immediately after the previous team completes their round.
- Numbers in parentheses (00) indicate shooter quantities.
- Squads with fewer than five shooters may be combined with other members from other teams to form complete squads of five.
- Teams should arrive and check-in at least one hour before scheduled shooting time.
- Coaches must check-in at the tent prior to first scheduled shooting time.
- Athletes must check-in with their team at their assigned field. They DO NOT need to check-in with tournament officials.
- No athlete registrations or substitutions are allowed.
- Scores will be posted in the tent and online at wiclaytarget.com
